PACKING TIPS

1. Articles subject to freezing should not be shipped in the moving van over long distances.
2. Arrange to move currency, jewellery and valuable papers separately. Movers will not accept responsibility for articles of extraordinary value.
3. Use clean white wrapping paper to pad and wrap your items.
4. Fill boxes completely. Don't overfill or under fill.
5. Don't pack fragile and heavy items in the same box.
6. Use smaller boxes for heavier items, and larger for lightweight or bulky items.
7. Clothing may be left in regular sized dresser drawers. Large dressers should be packed.
8. Do not pack articles above top of containers.
9. Pack phonograph records in upright position.
10. Grandfather clocks should be prepared for shipping by a jeweller.
11. Label each box to identify contents and room. Tape top and bottom of cartons closed.
12. Dismantle and pack 'kit' (Ikea style) furniture.

Kitchens:

Pack heaviest items in bottom of carton, and lighter items closer to the top.

Seal boxed food with masking tape if open.

Be sure lids are secure on containers and tape if necessary to seal.

Seal canisters with masking tape.

Household:

Remove shade and bulb from lamps. Pack lamp shades separately. They may be packed in multiples. Mark cartons 'Fragile' and 'Lampshade'.

Small pictures may be wrapped in towels. Large pictures should be packed in picture cartons. Wrap and tape each picture or mirror and slide into carton. Label 'Glass' and place on end, or let Mister Mover pack these for you. Clothes on hangers can be moved in wardrobe cartons. Please notify office in advance if you wish to have Wardrobe and Glass service, and these cartons will be provided for use during your move.

Fridges/Freezers: Defrost and dry. Do not plug in freezer after moving for 24 hours.

Electronics: Try to use original shipping boxes if possible, or pack in boxes using foam padding.

Chests: Pack full making sure breakables are well padded.

Desks: Pack contents separately.

Garden Tools: Tie or tape shovels, rakes and hoes together. Drain hoses, coil and tie.

Outdoor furniture: *Dismantle* where possible. Place parts in bag and tape to furniture.

Moving companies do not accept liability for content of cartons which it has not packed, or for the mechanical functions of pianos, radios, electronics, clocks, refrigerators or other instruments or appliances except where these have been mishandled, nor for the condition of any item which breaks during the course of normal handling, in particular, particle board and 'kit' style furniture or poorly constructed or previously repaired items.
